PEN SPACE

I would like to participate in *ALPACA FEST 2017* (NEAOBA Members only—see below to join):

This will include your display stall. If your display requires more than the space leftover from your alpaca pen, you will need to reserve another space. Since we are in structured out-buildings, there will not be extra space to “play” with.

Please reserve the following *10 x 10* Pen Space(s) @ \$110 each: \$ _____

Please check if the following statement applies to you:

I am NOT bringing animals and will only be using my pen(s) for display space only.

* To be considered for a full refund you must cancel your space no later than May 1st, 2017.

CAMPING – if you plan to camp – Go To: NHSWGA for the camping form

NEAOBA MAY MEETING -- Location – Dairy Barn – Seminar Area 6:00 p.m. Saturday.
There will not be a Social Dinner.

This year NEAOBA is offering to our members, which are signing up for vending space, a discount of \$50.00 off the total if they host a 1 hour demonstration or seminar both Saturday and Sunday. This demonstration will be held at the far end of the Dairy Barn and a schedule will be handed to those entering the main gate. You must bring your own supplies and items needed. Spinning fiber or personal needle working at your area does not count as a seminar or demo. If you would like to take advantage of this discount please contact Ruth Fegela by email or the phone number listed below for approval and scheduling.

Please Note: A maximum of 2 Adult or 3 Juvenile Alpacas per Pen Space

Arrival and set up
****Friday May 12th, 2017, after noon AND**
Saturday May 13th, 2017, 6:30 a.m. to 8:00 a.m.

Please note that your animals **MUST** be examined by the on site show representative- there will be no vet (see "NH Health Requirements" below). Also note that the event opens at 9a.m. on Saturday (May 13th). Vehicle movement on the grounds will be strictly prohibited after 8:30a.m., so all vehicles must be **unloaded, moved and parked** prior to this time.

NH Health Requirements

HEALTH REQUIREMENTS for NEAF 2017 Deerfield, NH

All alpacas entering from **out of state** will require a health certificate with TB testing within 60 days and brucellosis within 30 days. If the alpacas already have a "fair season" health certificate with the testing done 30 days prior to the first show, during the 2017 season, that is sufficient. All alpacas need permanent ID with the number on the certificate, and they need an **entry number** (obtained from the NH State Vet) on the certificate. If you have any questions you (or your vet) can call the NH State Vet's office at 602-271-2404.

In and out of state: We ask that all alpacas have been tested negative for BVD.

All livestock participating at the festival will be examined by a festival volunteer. Only livestock passing inspection will be permitted to be unloaded and participate at the festival. You may NOT unload any animals from trailers until inspected. In the event of particularly warm weather, you may set up a pen directly outside your trailer and put enough alpacas in the pen to give them a little additional room, but they may not leave this spot for any reason until checked.

The alpacas and vendors will be housed in the Dairy Barn. Although a permanent rear wall will be in place, there is no way to attach pen panels to this wall, so it is necessary to bring an adequate number of panels to create an enclosed pen. There will be **NO** bedding provided, you must bring your own hay, and feed. Water is available, but you must provide your own buckets. You are responsible for your own pen clean-up at the end of the weekend, dump stations will be provided. Your pen areas must be left as you found them, with all bedding, trash, etc. disposed of properly.

*****Due to liability issues, alpacas must not be exercised by walking them through the fairground booths around the general public. Either take them to an unoccupied area of the grounds or walk them before and after the hours of the festival.*****
